## COLLECTION AND ASSIGNMENT LAWS.

(Compiled by Beatty, Blackstock, Nesbitt Chadwick & Eisdell, Toronto, Ontario.)

**ACTIONS.**—All actions are brought in the High Court of Justice, the Exchequer Court County Courts or the Division Courts.

**Division Courts.**—There are not less than three or more than twelve in each county; one, at least, being in each city or county town. Each court has frequent sittings.

**Jurisdiction of Division Courts:**—(1) All personal actions where the amount claimed does not exceed the sum of \$50; (2) all claims and demands of debt, account or breach of contract or covenant or money demand, whether payable in money or otherwise, where the amount or balance claimed does not exceed \$100; (3) all claims for the recovery of a debt or money demand, the amount or balance of which does not exceed \$200, and the amount or original amount of the claim is ascertained by the signature of the defendant or of the person whom, as executor or administrator, the defendant represents. (R. S. O., 1897, Cap. 80.) There is no jurisdiction where the title to lands and certain actions of tort are involved.

**County Courts.**—There is a County Court in each county which is a court of record, and speaking generally has jurisdiction: (1) in all personal actions where the amount claimed does not exceed the sum of \$200; (2) in all cases relating to debt, covenant and contract to \$600 where the amount is liquidated or ascertained by the act of the parties or by the signature of the defendant. The court has jurisdiction in actions for recovery for trespass or for injury to lands where the value of the lands does not exceed \$200, otherwise the court has no jurisdiction in regard to titles to lands and no jurisdiction in certain personal actions, such as libel, slander, etc.

**High Court.**—The High Court of Justice is the Superior Court of the Province of Ontario, the jurisdiction being practically unlimited.

**The Exchequer Court.**—The Exchequer Court has jurisdiction in all cases in which it is sought to enforce any law of Canada relating to the revenue, and generally speaking, in all suits of a civil nature in which the Crown in the interest of the Dominion is concerned. It is frequently resorted to in copyright and patent cases, as the judgments of the Exchequer Court are binding in all parts of the Dominion. The sittings of the court are fixed in any part of the Province whenever a case

is ripe for trial. There is an appeal from the decision of the Exchequer Court to the Supreme Court of Canada.

**Appeals.**—There is a right to appeal to a divisional court of the High Court of Justice or to the Court of Appeal, as the case may be, from practically every judgment of a court of first instance, except a judgment of a division court involving less than \$100 exclusive of costs.

**ALIENS.**—Aliens may take, hold and dispose of real and personal property as freely as natural born subjects. Naturalization is easily obtained.

**ARREST AND IMPRISONMENT FOR DEBT.**—Imprisonment for debt is not allowed in Ontario, but in case a creditor by affidavit of himself or other person shows to the satisfaction of a judge that he has a cause of action to the amount of \$100 and upwards, and that there is reasonable and probable cause to believe that the debtor is, unless forthwith apprehended, about to quit Ontario with intent to defraud his creditors, the judge may grant an order for the arrest of the debtor, who thereupon may be arrested and confined in close custody until he puts in special bail for such sum as shall be named by the judge in an order. (See R. S. O., 1897, Cap. 80, also Ontario Judicature Act, rule 1021 *et seq.*) Under the criminal code every one is guilty of an indictable offence and liable to a fine of \$500, and to one year's imprisonment who: (a) with intent to defraud his creditors or any of them (1) makes or causes to be made any gift, conveyance, assignment, sale, transfer or delivery of his property; (2) removes, conceals or disposes of any of his property; or (b) with the intent that anyone shall so defraud his creditors or any one of them receives any such property. Also everyone is guilty of an indictable offence and liable to ten years imprisonment, who, with intent to defraud his creditors or any of them, destroys, alters, mutilates or falsifies any of his books, papers, writings or securities, or makes, or is privy to the making of any false or fraudulent entry in any book of account or other document. (See Criminal Code of Canada, 1892, Sec. 368 and 369.) promoters, directors or managers of public companies or bodies corporate who make, publish or circulate, or concur in the making or publishing of any prospectus, statement or account which they know to be false in any material part, with the intent to induce

persons to become shareholders or to deceive the members or shareholders, are guilty of an indictable offence and liable to seven years imprisonment. They are also civilly responsible to parties who may have purchased stock on the faith of such statements, etc. (R. S. O., 1897, Cap. 216.) (See Criminal Code of Canada, 1892, Sec. 364 and 365.) The Criminal Code also contains stringent provisions for the punishment of clerks or servants, who, with intent to defraud, destroy, alter or falsify books, documents or valuable securities belonging to their employers. There are also numerous sections providing for the punishment of persons for such offences as the concealing of deeds or incumbrances, the false registration of titles to lands, fraudulent sales and hypothecations, the giving of false warehouse receipts, the wilfully parting by warehousemen with goods or property covered by warehouse receipts, and other matters having special relation to trade and commerce.

**ASSIGNMENTS.**—There is no insolvency law in force in the Dominion of Canada, and no means is provided by law, by which a debtor can be compelled to execute an assignment for the benefit of creditors. A debtor may, however, make a voluntary assignment. Such assignment must provide for the paying rateably and proportionately and without preference or priority of all creditors of the debtor their just debts. Assignments for the benefit of creditors are made: (1) to the sheriff of the county in which the debtor resides or carries on business; (2) or with the consent of a majority of the creditors having claims of \$100 and upwards, to a person resident in Ontario other than the sheriff. In case an assignment is made to a person other than the sheriff, and without the prescribed consent of creditors, such assignment shall be void as against a subsequent assignment made in conformity with the Act. An assignment for the general benefit of creditors takes precedence of all judgments and of all executions not completely executed by payment. "The Act respecting assignments and preference by insolvent persons" (R. S. O., 1897, Cap. 147) makes full provision in regard to proof of creditors' claims, meetings of creditors, valuing of securities, etc. At any meeting of creditors all questions discussed at the meeting shall be decided by a majority of votes of the creditors present in person or by proxy authorized in writing, and the votes of creditors shall be calculated as follows: For every claim of or over \$100 and not exceeding \$200, one vote, for every claim of or over \$200 and not exceeding \$500, two votes; for every claim of or over \$500 and not exceeding \$1,000, three votes; for every additional \$1,000, or fraction thereof, one vote. Every creditor in his proof of claim shall state whether he holds any security for his claim or any part thereof, and if such security is on the estate of the debtor or on the estate of a third party for whom such debtor is only secondarily liable he shall value the same in the manner mentioned in the Act. The assignor or any of his clerks may be examined upon oath as to any disposition made of property, etc., prior to the assignment. Claims must be proved by affidavit and vouchers must be furnished. A creditor holding a claim not accrued may prove and vote. Interest is to be deducted in fixing the amount of such claim. The law of set-off applies to claims against the estate. Employees are paid three months wages in priority to other claims. A landlord has a preferential lien for one year's rent prior to the date of assignment.

**ATTACHMENTS.**—Attachments may issue in the case of absconding debtors who leave Ontario with intent to defraud their creditors, and who are possessed, to their own use and

benefit of real or personal property, credits or effects not exempt by law from seizure. The full practice is set out in R. S. O., 1897, Cap. 78, also see Ontario Judicature Act, Rule 1068 *et seq.* All creditors who place attachments in the sheriff's hands within six months from the date of the first writ share *pro rata* with the attaching creditor. In the Division Court, all creditors of the same class with the plaintiff share *pro rata*, if within one month after the issue of the first attachment they give notice of their claims to the clerk of the division court, out of which the first attachment issued, or in which it is made returnable.

**BILLS OF EXCHANGE AND PROMISSORY NOTES.**—Demand notes and bills are payable without days of grace. On sight and time notes and bills three days' grace are allowed. If the third day is a Sunday or other legal holiday the note or bill is payable on the next juridical day. The legal holidays are Sunday, New Year's Day, Good Friday, Easter Monday, Christmas Day, the birthday (or the day fixed for the celebration of the birthday) of the reigning sovereign, Dominion Day (1st July) or if that day be a Sunday (the 2d July); any day appointed by proclamation for a public holiday, or for a general fast or a general thanksgiving throughout Canada, and the day next following New Year's Day and Christmas Day when those days respectively fall on Sunday. The acceptance of a bill must be written on the bill and be signed by the drawee. The mere signature of the drawee without additional words is sufficient. (53 Vic. Statutes of Canada for 1890.) Interest does not commence to run until after maturity, unless bill or note is expressed to be payable with interest. If the note provides for payment of interest from its date at a rate exceeding legal rate (5 per cent), "until paid," such words are not sufficient to entitle the holder to interest beyond legal rate after maturity of note. In order to entitle a holder to interest at the rate stipulated for, more express words would have to be inserted, as the law presumes payment at maturity.

**CHATTEL MORTGAGES AND BILLS OF SALE.**—All mortgages or conveyances of personal property are void as against creditors and subsequent purchasers or mortgagees in good faith for valuable consideration, if not accompanied by an immediate delivery and followed by an actual and continued change of possession of the goods mortgaged or sold, unless registered in the office of the clerk of the county court within five days from the execution thereof, together with an affidavit of such execution by a subscribing witness, and an affidavit of the mortgagee or purchaser, or his agent, as to the *bona fides* of the mortgage or bill of sale. Within thirty days next preceding the term of one year from the filing of the mortgage a statement exhibiting the mortgagee's interest in the property and showing the amount still due for principal and interest and all payments on account thereof and an affidavit of the mortgagee that such statement is true and that the mortgage has not been kept on foot for any fraudulent purpose must be filed in the clerk's office or the mortgage will be void as against creditors and subsequent purchasers or mortgagees in good faith. A similar statement is thereafter to be filed yearly. An agent may be authorized generally to take and renew all or any mortgages. It has been held by the judicial committee of the privy council that warehouse receipts taken by a bank pursuant to the provisions of the banking act, statute of Canada, 1890, Cap. 31, need not be registered. It would therefore be advisable in taking a chattel mortgage to make specific inquiries of the mortgagor as to the existence of ware-

house receipts or conditional sale notes. In the event of false answers being given to such inquiries, the mortgagee would bring himself within the provisions of the criminal code, section 378.

**CONDITIONAL SALES.**—Receipt notes, hire receipts, etc., in the case of manufactured goods or chattels, where the possession of the chattel passes without the ownership being acquired by bailee until payment of purchase money or some stipulated part thereof, are only valid as against subsequent purchasers or mortgagees without notice when name and address of manufacturer, bailor or vendor are plainly attached to the chattel when possession is given. (R. S. O., 1897, Cap. 149, S. 1.) The above does not apply to household furniture, but pianos, organs or other musical instruments are not included in the term "household furniture." It also does not apply where a copy of receipt note or hire receipt is filed with the clerk of the county court within ten days from its execution. A manufacturer, bailor or vendor is to leave a copy of the receipt note or hire receipt with the bailee at the time of its execution or within twenty days thereafter. In an agreement for the sale of merchandise to a trader for the purpose of re-sale in the course of business in which possession passes to the trader but not the absolute ownership until the consideration is satisfied, any such provision as to ownership is void as against creditors or purchasers unless the agreement is in writing and such writing is filed within five days after the delivery of the goods. Such an agreement, though signed and filed, does not affect purchases from the trader in the usual course of his business (R. S. O., 1897, Cap. 148, S. 41, S. S. 4.) The above Act is not intended to affect the case of manufactured goods or chattels provided for by the Act respecting conditional sales of chattels. A manufacturer, bailor or vendor of chattels under the Act cannot be defeated in his right to property within the meaning of the Act by the bailee or vendee annexing a chattel to realty so as in all other respects to make the chattel part of the realty. If the intention has been shown to treat an article as a chattel, a bailee cannot by annexing such chattel alter its character. Generally speaking, a sale of fixtures is a sale of chattels, even fixtures such as a vendor must have known must become part of the building retain their chattel character in favor of vendor who retained right of property in the fixtures. See also Chattel Mortgages and Bills of Sale.

**EXECUTIONS.**—Execution may be issued against the goods and lands of the debtor as soon as judgment is recovered except in Division Court cases where judgment is recovered after the defense entered, in which case the defendant has 15 days in which to pay. Writs of execution remain in force for a period of three years, unless satisfied in the meantime or withdrawn by the party at whose instance they were issued. All executions in the sheriff's hands share *pro rata*. Under the Creditors Relief Act, if a debtor permits an execution under which a seizure has been made by the sheriff to remain unsatisfied for twenty days after the seizure or until within two days of the time fixed for sale, or allows an execution against lands to remain unsatisfied for nine months after it is placed in the sheriff's hands, creditors in respect of other claims may proceed in a summary manner in the County Court and obtain certificates entitling them to snare in whatever is made under the executions of creditors in the sheriff's hands. In order to entitle creditors to share in any moneys realized by the sheriff, their executions or certificates must be lodged with the sheriff within one month from the date of the levy by

the sheriff. For full practice see R. S. O., 1897, Cap. 78. Stocks, moneys, securities, leasehold interests, equities of redemption, etc., etc., may be sold under the execution R. S. O., 1897, Cap. 77.

**EXEMPTIONS.**—The exemptions from execution are, speaking generally, the beds and bedding in ordinary use by the debtor and his family, necessary wearing apparel, and a list of domestic utensils necessarily incident to living, not to exceed in value the sum of \$150; (2) necessary provender for thirty days not to exceed in value the sum of \$40; (3) a cow, six sheep, four hogs and twelve hens, in all not to exceed the value of \$75; (4) tools and implements ordinarily used in the debtor's occupation to the value of \$100, or the debtor may elect to receive the proceeds of the sale of such tools, etc., up to \$100; (5) fifteen hives of bees. The debtor may select the several chattels exempt from seizure. In the case of 2, 3, 4 and 5, the exemption does not apply when the debt is contracted for the identical chattels. (See R. S. O., 1897, Cap. 77.) Under the Free Grants and Homesteads Act there is an exemption from liability for any debt incurred before the issue of the patent, and for twenty years from the date of location, except where the land itself is mortgaged, or pledged, or for the payment of taxes. (See R. S. O., 1897, Cap. 29.)

**FOREIGN CORPORATIONS.**—Foreign corporations, under the statute of 1900, in order to carry on within Ontario any of their business, must obtain a license from the Government. In order to obtain a license petition has to be put in and also the corporation is required to file a power of attorney to some person living within the Province, authorizing such person, among other things, to accept service and to receive service of process, notices, etc., on behalf of the corporation. The fees for such license are the same as fees payable on the incorporation of a company under the Ontario Companies Act. Where the capital of the company is \$40,000 or less fee is \$100; more than \$40,000 and up to \$100,000, \$100, and \$1 for every thousand in excess of \$40,000. When over \$100,000 and not exceeding a million, fee is \$160, and \$2.50 for every \$10,000 in excess of \$100,000. When the capital is \$1,000,000 the fee is \$385; above that, \$2.50 for every \$10,000 or fractional part in excess of \$1,000,000. A provision is made for license being granted at a reduced fee where the company has been carrying on business in Ontario at the time of the passing of the act. Heavy penalties are imposed upon any company and upon the officers or agents of any company carrying on any of its business within the Province in contravention of the provisions of the act. The act further provides that so long as the company remains unlicensed it shall not be capable of maintaining any action, suit or other proceeding in any court in Ontario in respect of any contract made, in whole or in part, within Ontario in the course of or in connection with its business carried on contrary to the provisions of the act. The act provides that taking orders for or buying or selling goods, wares and merchandise by travelers or by correspondence, if the corporation has no resident agent or representative or no office or place of business in Ontario, shall not be deemed a carrying on of business within the meaning of the act.

**HOLIDAYS.**—See Bills of Exchange and Promissory Notes.

**INTEREST.**—Five per cent. is the legal rate of interest, but as there is no law against usury parties may contract for any rate they see fit. Interest may be allowed in the discretion of the court upon open accounts, from the time when a demand of payment is made in writing informing the debtor that interest will be claimed from the date of the demand. (See Bills and Notes.)

**JUDGMENTS.**—Judgments do not bind the property of debtors until execution is issued and lodged with the sheriff. A judgment remains in force for twenty years. A writ of execution may be issued within any time within six years from the date of judgment without leave, and after that time leave must be obtained from the court. Judgment debtors, their clerks or employees, or former clerks or employees, or any person or persons to whom they have made a transfer of their property since the debt or liability which was the subject of the action was incurred, may be examined as to the debtor's property.

**LIMITATIONS.**—All actions upon bills of exchange and promissory notes; also actions for the price of goods sold and delivered, and generally all actions arising out of the breach of simple contracts must be brought within six years from the time when the right of action accrued. Actions for rent upon an indenture of demise and actions upon a bond or other specialty (except upon covenants contained in an indenture of mortgage) within twenty years after the cause of such actions arose. Actions upon any covenant contained in an indenture of mortgage made after the 1st of July, 1894, within ten years after the cause of such actions arose.

**MARRIED WOMEN.**—A married woman is capable of acquiring, holding and disposing by will or otherwise, of any real or personal property as her separate property in the same manner as if she were a *feme sole* without the intervention of any trustee. A woman who, while single, contracts debts or renders herself liable for tort, remains liable for such debts or torts after marriage. Her husband is also liable for them to the extent of any property he may have received through his wife, and where so liable he may be sued alone or jointly with her. All contracts made by a married woman prior to 13th April, 1897, are *prima facie* deemed to be made in respect of her separate estate, and unless proved not to have been made with respect to such estate, will bind all separate property owned by her at the date of the contract or subsequently acquired. Every contract entered into by a married woman on or after the 13th day of April, 1897, is deemed to be a contract entered into with respect to and to bind her separate property, whether she had in fact any separate property at the time at which she entered into such contract or not, and such contract binds all the separate property which she had at the time of making the contract, or subsequently acquired, and is also enforceable by process of law against all property that she might thereafter possess or be entitled to while discover, and in respect to any contracts made since such date, it is not necessary for the plaintiff in the proceeding to prove that the married woman has or had the property. A married woman has the same remedies for protection of her separate property as are possessed by a *feme sole*. She may (in certain cases e. g. if deserted by her husband obtain an order for the protection of the earnings of her minor children. She is exempt from the provisions of the acts respecting arrests for debts. (R. S. O., 1897, Cap. 80.) A married woman is entitled to dower out of all lands of which her husband was seized in fee simple (otherwise than in trust) during marriage and out of all lands to which he died beneficially entitled for an interest (legal or equitable) equal to an estate of inheritance in possession (other than an estate in joint tenancy). The above does not apply to lands in a wholly unimproved state which have been conveyed by the husband during his life time nor, of course, to lands conveyed by the husband in which the wife has parted her dower. Even if under the

age of twenty-one years she may join to bar dower in case of a sale for value or mortgage, and she may also by deed, release her dower to any person to whom the lands have been previously conveyed. (R. S. O., 1897, Caps. 163, 164 and 165.)

**MECHANICS' LIENS.**—Every mechanic, builder, miner, laborer or other person doing work upon or furnishing material to be used in erecting, furnishing, etc., any building or mine or placing machines, etc., therein, has a lien upon the building or mine for the value of the work done and materials, etc., furnished, provided that the work was done at the request or with the consent of the owner or some one having an interest in the property. The lien binds only the interest of the person at whose instance or with whose consent the work was done or the materials, etc., were furnished. A person, however small his interest, who procures work to be done or materials to be furnished, renders his interest subject to the lien, but cannot bind the interest of any other person in the property unless the circumstances are such as to show that the work done was with the "privity" (not merely the knowledge) of such other person. Any person except a workman, servant, laborer or mechanic whose wages do not exceed \$8 per day, may waive his right to a lien by express written agreement. A mechanic, laborer or person performing labor for wages upon the construction, alteration, etc., of the building or in connection with placing of machinery, etc., in any building erection or mine, has a priority over other liens on such wages not exceeding thirty days' wages. All persons employed by or furnishing materials to a person entitled to a lien, may, provided their work was done or their materials furnished in respect of the subject of such lien give notice of their claim to the owner within thirty days and then acquire a charge on the money payable to the lien holder by the owner. The person primarily liable upon any contract by which a lien may arise for work done or material supplied must retain for a period of thirty days after a completion of the contract, twenty per cent. of the value of the work, services and materials actually done and furnished. Provided where a contract exceeds fifteen thousand dollars, the amount to be retained shall be fifteen per cent. instead of twenty. Liens must be registered within thirty days after the completion of the work, or the supplying or placing of the materials, etc., or within thirty days after the last day's labor for which the wages are payable. The lien may, however, be registered before the completion of the work, and the safer course is to register the lien at once, as in case the owner should dispose of the property to a purchaser for value without notice the lien holder would not be in a position to enforce his lien as against such purchaser. A lien not registered within thirty days ceases to exist, unless proceedings are taken before that time to enforce it, and the certificate of such proceedings is registered. Although the lien has been duly registered it shall cease to exist after the expiration of ninety days after the work has been completed or materials or machinery furnished or wages earned or the expiration of the period of credit (where such period is mentioned in the claim of lien filed) unless in the meantime proceedings are instituted to realize the claim and a certificate thereof registered. Registration has no effect after six months unless renewed or unless proceedings are taken in the meantime to enforce the lien. The full practice is set out in the Statutes and there are provisions by which lien holders obtain the benefit of any proceedings instituted by other lien holders of the same class. (R. S. O., 1897, Cap. 153.)

**PARTNERSHIPS.**—All persons associated

in partnership for trading, manufacturing or mining purposes are required to register within six months after the formation of the partnership in the registration division in which they carry on business, a declaration setting forth their names and addresses and the firm name, etc. (See given by the form act.) A similar declaration must be registered on a change in the partnership, and a declaration of any dissolution of partnership must also be registered. Allegations in the declaration are not controvertible as against any person by any person who has signed same. Persons signing the declaration are to be deemed partners until a new declaration is filed. Every person carrying on business under a firm name or in a name other than his own is also required to file a declaration setting forth this fact. Penalties are provided for the non-compliance with the statute. An employer may by agreement allow an employee a share in the profits of his business in lieu of or in addition to his salary, and such agreement shall not create any relation in the nature of partnership or entitle the employee to call for an account, and any statement by the employer of the net profits of any such business by which he appropriates the share payable under such agreement shall be final and conclusive between the parties. (R. S. O., 1897, Cap. 152.)

**Limited Partnerships.**—Two or more persons may form a limited partnership consisting of one or more general partners and one or more special partners: the latter contributing in actual cash payments a specific sum to the common stock and being liable for partnership debts only to the extent of such contribution. The general partners alone are authorized to carry on the business, and any special partner who transacts any business on account of the partnership or acts as agent, attorney, etc., for the partnership, becomes liable as a general partner. A special partner may, however, from time to time examine into the partnership concerns and advise as to management. In case of insolvency of the firm a special partner is not

allowed to claim as a creditor until the claims of all other creditors of the partnership have been satisfied. During the continuance of the partnership a special partner cannot withdraw any part of the sum contributed by him to the capital stock of the partnership. He may, however, receive annual interest on the sum contributed by him, provided the payment of such interest does not diminish the amount of capital. The partnership is formed by the recording of a certificate setting out: (1) The firm name; (2) the general nature of the business intended to be transacted; (3) the names and addresses of all the partners distinguishing general from special partners; (4) the amount of stock subscribed by each special partner; (5) the period of commencement and termination of the partnership. This certificate is to be signed by all the partners before a notary public and is to be filed in the office of the county court clerk. The continuance of a partnership beyond the time mentioned in the original certificate must also be duly certified. Every alteration made in the names of the partners, in the nature of the business, or in the capital or shares thereof, or in any other matters specified in the original certificate shall be deemed a dissolution of the partnership, and every such partnership carried on after any such alteration has been made shall be deemed a general partnership. All business is carried on in the firm name in which the names of the general partners alone appear. This act is very strictly construed, and failure to comply with its terms renders a special partner liable as a general partner. (R. S. O., 1897, Cap. 151.)

No law exists in this Province requiring commercial travelers to take out a license, but municipalities are authorized to pass by-laws requiring peddlers and transient traders to take out licenses under penalty for not doing so, and such by-laws are in force in many municipalities.

## COLLECTION AND ASSIGNMENT LAWS.

**ASSIGNMENTS.**—The power of giving preferential assignments by creditors is checked to a considerable extent by Act of the Legislature passed 1898, by which confession of judgments, conveyances, assignments and delivery of chattels and securities, made by any person at the time in insolvent circumstances, or unable to pay his debts, or knowing himself to be on eve of insolvency to any creditor voluntarily or by collusion with intent to delay or prejudice creditors, or to give one or more creditors a preference, are declared void as against the general creditors. If a transfer to or transaction with a creditor has the effect of giving that creditor a preference, it shall with respect to proceedings taken within 60 days thereafter to impeach the same be presumed to be fraudulent whether made voluntarily or under pressure. The Act makes provision for the appointment of official assignees to whom assignments are to be made for the distribution of assets rateably. Wages of employees not exceeding three months, and amounts due to farmers for farm produce sold to the assignor during three months immediately preceding the assignment, are to be paid preferentially by the assignee. Assignments to any other than official assignees are forbidden, unless the consent of the majority of creditors having \$100 claims is first obtained. If assignment absolute, possession of goods must be taken by grantee. No assignment under this Act to be considered invalid unless proceedings to impeach same are taken within a year after registration. If assignment is by way of chattel mortgage, same must be registered in county in which grantor resides, and an affidavit by the grantee or his agent is required, stating that security was given *bona fide* for consideration stated and not to defeat other creditors. An execution creditor of mortgagor may pay mortgagee amount of his claim and sell goods under execution.

**ATTACHMENTS.**—Debtors' lands or goods cannot be attached until after judgment unless debtor has absconded. In case of absent or absconding debtors property may be attached

in supreme or county court as case may be. A bailable writ of *capias* may be issued out of Supreme Court against a debtor about to abscond, but a judge's order for the same must be obtained upon an affidavit swearing to debt and setting out such facts and circumstances as will satisfy judge that debtor is about to leave the Province for the purpose of defrauding creditor. *Capias* may be issued from county court for a debtor about to abscond for any sum over \$4, and up to \$150, upon affidavit of the debt and that plaintiff believes defendant is about to leave Province to evade payment of his debts.

**EXEMPTIONS.**—Necessary wearing apparel and bedding of a debtor and his family, and the tools or instruments of his trade or calling (£5 old currency), \$16.20 in money, and his last cow, are exempt from execution out of Supreme Court. Wearing apparel and bedding of debtor and his family, the tools and implements of his trade, and one cooking stove and one cow, in all amounting in value to \$50, are exempt from process out of county court.

**GARNISHEE.**—A creditor may garnishee money owing to a debtor in the hands of a third party by process either in supreme or county courts.

**JUDGMENTS.**—Judgments in the Supreme Court bind real estate of defendants from date of entry; lands cannot be sold under county court judgments. Action may be brought in Supreme Court for any sum not less than \$32. County courts have jurisdiction up to \$150.

**MECHANICS' LIENS.**—Every mechanic, machinist, laborer, contractor or other person doing work upon or furnishing materials to be used in the construction, alteration or repair of any building or erection, furnishing or placing machinery of any kind in, upon, or in connection with any building or erection, may have a lien for the price of such work, machinery or materials, upon such building or erection and the lands occupied thereby, by filing a claim in office of registrar of deeds, verified by oath, within thirty days after completion of work.
